

Erratum

Open File 4729

The digital version of this Open File was originally released missing the files geochron.dbf, metamorp.dbf, and mineral.dbf, which correspond to tables 1, 2, and 3, respectively. If you downloaded this Open File before October 1, 2006, you will need to download it again. If you purchased a copy of this Open File on CD-ROM before October 1, 2006, please contact the [GSC Bookstore](#) for a new corrected copy free of charge.

The file containing the following disclaimer (disclaimer_geochronology.txt) was omitted in the Open File:

"In areas where the geochronology sample locations are densely populated and overlap, a limited number of sampled site locations have been moved from their precise location to make the map legible. For accurate map coordinates, the reader is advised to refer to Tables 1 and 2 (sheet 2), or the National Geochronology database website link (<http://gdr.ess.nrcan.gc.ca/geochron/e/explorer.htm>).

The fields for age and \pm errors for geochronology data and P-T SHRIMP age data were omitted from pnt4729_1_pnt and the external file pnt4729_1_pxt on the CD-ROM. Please refer to Table 1 (Table1.dbf, Table1.pdf) and Table 2 (Table2.dbf, Table2.pdf) of sheet 2 to view the complete dataset."

Erratum date: 2006/10/01

Dossier public 4729

Lors de la diffusion initiale de ce dossier public, les fichiers geochron.dbf, metamorph.dbf et mineral.dbf, qui correspondent respectivement aux tableaux 1, 2 et 3, ont été oubliés. Si vous avez téléchargé ce dossier public avant le 1^{er} octobre 2006, veuillez le faire à nouveau. Si vous avez acheté ce dossier public sur CD-ROM avant le 1^{er} octobre 2006, veuillez contacter la [Librairie de la CGC](http://cgc.nrcan.gc.ca/bookstore_f.php) http://cgc.nrcan.gc.ca/bookstore_f.php pour obtenir sans frais un exemplaire de la version corrigée.

Le fichier renfermant l'avertissement ci-dessous (disclaimer_geochronology.txt) a été oublié lors de la diffusion du dossier public.

"In areas where the geochronology sample locations are densely populated and overlap, a limited number of sampled site locations have been moved from their precise location to make the map legible. For accurate map coordinates, the reader is advised to refer to Tables 1 and 2 (sheet 2), or the National Geochronology database website link (<http://gdr.ess.nrcan.gc.ca/geochron/e/explorer.htm>).
